

Dear CREW Supporter,

**Commercial Real Estate Women (CREW) Network** is a national organization made up of 68 local chapters with over 8,000 members in the U.S. and Canada that focus entirely on providing networking, professional development and career advancement opportunities to women in the commercial real estate industry.

In 2006, CREW Greater Akron became an official chapter of CREW Network, with the goal of connecting women in Summit, Stark, Medina, Wayne, and Portage counties. We host between 6 and 8 events each year, including our signature events, the Urban Revitalization Bus Tour and our Real Estate Forum.

In 2010, our programs brought members several hours of continuing educational units, networking opportunities, and showcased area commercial real estate and local cutting edge development projects.

With your sponsorship we will continue to bring you quality programming, networking opportunities and affordable continuing education units through 2011.

**Please remember CREW Greater Akron as you plan your budget for the coming year!** Sponsorship levels are listed on the following page. Whatever level you choose, the Board of Directors thanks you for your continued support.

Sincerely,

Lauren Glockner
